

Minutes of the Building Committee Meeting held at Limestone Community High School, District 310, on Tuesday, May 3, 2016 at 7:00 PM.

Mr. Jim Bainter called the meeting to order at 7:00 PM.

Committee Members Present: Mr. Jim Bainter; Mr. Bob Neal; and Mr. Larry Winkler

Other Members Present: Mr. Mike Vollmer; Ms. Sara Callear; and Mr. William Bessler

Administrators Present: Mr. Allan Gresham; and Mrs. Denise Ryder

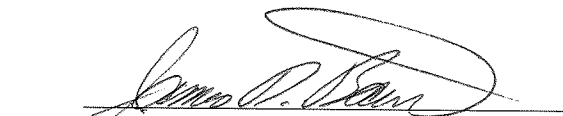

Mr. Gresham distributed a quote to replace components of the sound system in the main gym to eliminate the reverberation and voice clarity issues we are having. Integrated Audio reported that the current speakers are working appropriately. The quote on the new equipment is \$3,650. An additional \$360 would allow us to run an audio cable from this new equipment to the auditorium sound booth giving a direct, clear feed. Integrated are well-suited for our gym. This item will be brought to the Board for approval at the May 10, 2016 meeting.

Mr. Gresham distributed an architectural drawing for the new security vestibule project and described the major components of the project. The committee discussed the scope and design of the project and gave their input on its final details and specifications. The pre-bid meeting on this project is scheduled for May 11, 2016 with the bid opening on May 19, 2016. The only timing issue that has arisen is with the asbestos abatement. Mr. Gresham will provide more information to the Board as it becomes available. Tentatively, this project will come to the Board for approval at the May 24, 2016.
