1. All negotiating sessions will be closed meetings.
2. Each side may have up to eight (8) people in the negotiating room.
3. Negotiating sessions shall generally begin at 6:30 PM and end at 8:30 PM. However, either party may adjourn a session at an earlier time or both parties may mutually agree to extend a session.
4. Negotiating sessions shall normally be held in the Board of Education conference room. The date of the next negotiating session shall be scheduled at the close of the current session.
5. The Board and Union agree to bargain in good faith with respect to salaries, fringe benefits, and conditions of employment. Good faith, for the purpose of this Agreement, is defined as the willingness of both parties to meet, discuss the issues, and make proposals and/or counter-proposals in an effort to reach an agreement. It does not imply acquiescence or concessions to either party's demands in whole or in part.
6. All tentative agreements shall be reduced to writing and initialed at the meeting which tentative agreement was reached. ## **ARTICLE III**

### **GRIEVANCE PROCEDURES**

#### **A. Definitions**

1. A claim by an employee or by the Union that there has been an alleged violation, misinterpretation or misapplication of the terms of this Agreement shall be a grievance.
2. All time limits shall consist of working days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of days when the school district is in operation, so that the matter may be resolved as soon as possible.

#### **B. Procedures**

1. The parties hereto acknowledge that it is usually most desirable for an educational support personnel employee and his/her immediately involved supervisor to resolve problems through free and informal communications. An attempt shall be made by the grieving party to resolve any grievance by means of an informal verbal communication. If, however, the informal process fails to satisfy the grievant, a grievance may be processed as follows.
2. If the grievance is not resolved informally, then the grievant shall present the grievance in writing to the Assistant Superintendent or Designee. The grievance shall specify the article and clause alleged to have been violated and shall state the remedy sought. The grievance shall be initiated at this step within ten (10) working days from the point the grievant becomes aware of the alleged violation, or should have become aware, whichever is later. The Assistant Superintendent or Designee shall arrange for a meeting to take place with the grievant within ten (10) working days after the receipt of the grievance. The Assistant Superintendent or Designee shall provide a written answer to the grievant within ten (10) working days of the scheduled meeting.

3. If the grievance is not resolved at Step 2, the aggrieved may refer the grievance to the Superintendent or Designee within ten (10) working days after the receipt of the Step 2 answer. The Superintendent or Designee shall arrange for a meeting to take place within ten (10) working days of his/her receipt of the appeal. Within ten (10) working days of the meeting, the grievant shall be provided with the Superintendent's written response.
4. Within thirty (30) working days after receiving the decision, the Union may submit the grievance to arbitration under the Federal Mediation and Conciliation Service. Expenses for the arbitration services shall be borne equally by the School Board and the Union. The School Board and the Union shall pay for their own representation and transcript costs. Neither the Board nor the Union shall be permitted to assert any ground or evidence before the arbitrator that was not previously disclosed to the other party in writing in previous steps. The arbitrator shall have no power to alter the terms of this Agreement.

**C. Class Grievance**

1. Class Grievance involving one or more educational support personnel or one or more supervisors shall be initially filed by the Union at Step 3.

**D. Grievance Withdrawal**

1. A grievance may be withdrawn at any time without establishing a precedent.

**E. Time Bar**

1. Failure of the grievant or the Union to act on any grievance within the prescribed time limits will bar any further appeal. Failure of the administration to act on the grievance within the prescribed time limits will allow the grievant to appeal to the next step.

**F. Representation**

1. The grievant shall be entitled to an LFT Union member representative beginning at Step 2. The list of representatives will be provided to the Board of Education.

**ARTICLE IV**  
**EMPLOYMENT**

**A. Work Year/Week**

The work year for all educational support personnel is July 1 to June 30. The work week starts on Sunday at 12:01 AM and ends on Saturday at 12:00 midnight. Usual and customary day and year shall not be changed without collectively bargaining the change with the Union.

**B. Work Schedules**

The work schedule for each custodial employee will be prepared by the Superintendent of Building and Grounds or his designee. All new or vacant positions will be posted for five days prior to the administration hiring any position.

**C. Full-time/Part-time Employment**

A full-time employee is considered to be an employee who regularly works thirty (30) hours or more per week and qualifies for the 600-hour standard of the Illinois Municipal Retirement Fund. These employees are offered employment benefits.

A part-time employee is considered to be an employee who regularly works less than thirty (30) hours per week. Should an employee work more than thirty (30) hours per week for a period of two months, a review of the position will be completed for consideration of possible movement to a full-time position.

**D. Regular Time**

All hourly employees are required to “clock in” at the beginning and end of each shift, or complete daily time sheets. Additional hours beyond the regular workweek for a position are not allowed without prior authorization from the employee’s immediate supervisor.

The clerical employee who calls substitutes shall receive an additional stipend of \$1,000 yearly.

For the individual who is back-up to the employee who calls and schedules substitutes, that individual will receive compensatory time equal to the amount of

time required to complete the task which was outside of the normal work hours. The employee will also be reimbursed for any long distance phone calls made in an effort to secure substitutes for the day. A copy of the phone bill must be submitted for reimbursement.

At the request of the employee and the approval of the employee's immediate supervisor, compensatory time may be granted on a time-for-time basis, except in the cafeteria unit. All compensatory time must be recorded with the employee's immediate supervisor within one working day and the supervisor turns in to the Payroll Clerk immediately thereafter. It is to be used within three (3) months of being earned.

## **E. Overtime Compensation**

Overtime will be paid at one and one-half time the employee's regular rate of pay after either the employee works 2.5 hours more per week than their regularly scheduled work hours, or after forty hours of actual work have been completed during the workweek. Paid time off (e.g., sick, personal and vacation days) are not counted in the calculation of hours worked.

The educational support personnel and his/her immediate supervisor may agree to allow the employee to take compensatory time (time and one half) off for overtime worked in a week. Sick time, vacation time and personal time taken during the week are not included in calculation for overtime.

Overtime will be allowed only with prior authorization. Overtime will be offered to employees within the same classification on a rotating basis to specific individuals based upon the overtime job requirement. The supervisor will be responsible for maintaining records for who is next in line for overtime and will communicate that information to the union steward. If necessary, overtime will be assigned by the supervisor.

Overtime hours will be paid at a rate of 1.5 times the regular hourly rate and will be paid on or before the next scheduled pay date.

Compensatory time-off is time during which the employee is not working, and, therefore, not counted as "hours worked" for purposes of overtime.

## **F. Meal Period**

Each full-time employee will be granted a 30 minute duty-free unpaid meal period. Meal periods will be scheduled in a staggered fashion to provide coverage throughout the meal times. Each full-time food service employee will be granted a 30 minute paid meal period. Food service employees will be “on call” during the mealtime.

## **G. Break**

Each custodial employee will be granted two 15 minute paid break periods during any five-hour work period. Break times may be combined, provided: (1) the breaks are not adjacent to start times, lunch times, or ending times; and (2) the custodian remains on campus unless permitted in advance by the supervisor.

## **H. Jury and Witness Duty**

An educational support employee’s salary will not be reduced for absence resulting from serving on jury duty. Any money received for jury duty, excluding mileage, will be turned over to the district.

An educational support employee legally subpoenaed to testify as a witness may do so without a salary reduction. Subpoenaed educational support personnel will ask the party or the party’s agent who subpoenaed them for reimbursement equal to the amount of their salary for the employment time lost through appearing as a witness. Subpoenaed educational support personnel will turn over to the district all money they received for appearing as a witness.

Any educational support personnel, who is a plaintiff/defendant in a lawsuit and as a result must be absent during a workday, must use vacation and/or personal leave days for such absence. If an educational support employee has used all available vacation and personal days, his/her salary will be reduced on a per diem basis for such absence.

## **I. Paychecks**

Paychecks are issued on the 15<sup>th</sup> and 30<sup>th</sup> of each month. If a pay day falls on a weekend, pay will be distributed on the preceding business day. Direct deposit is mandatory for all employees.

**J. Personnel Records**

Any employee, upon 48 hours advance written notice submitted to the Superintendent or his/her official designee, shall have the right to review the contents of his/her personnel file with the exception of matters excluded by statute. Said review shall take place during the regular hours established for the Business Office. The Superintendent or his/her designee shall be present during the review. The employee shall have the right to attach dissenting material to any item in his/her file. The employee shall be entitled to a copy of his/her file without cost.

**K. Evaluation**

His/her direct supervisor shall evaluate each employee. The evaluation process will include a formal scheduled annual evaluation and informal day-to-day appraisals.

Supervisor(s) shall provide a copy of the completed evaluation to the employee and shall provide an opportunity to discuss it with the employee. The original evaluation shall be signed by the employee and filed with the Superintendent.

**L. Physical Examination**

The Board may, at any time, require an examination of any employee by a physician at the District's expense.

**M. Paraprofessionals**

Full-time paraprofessionals will work according to the ISBE approved school calendar from 7:30 am to 3:00 pm on regular school days and follow the teacher dismissal schedule of SIP day, parent-teacher conference days, and institute days. Part-time paraprofessionals will work up to 3.75 hours per day on normal student attendance days and cover assigned classes as scheduled on early dismissal days.

Full-time paraprofessionals will be considered salaried employees with 24 equal pays per year. Part-time paraprofessionals will continue to be paid on an hourly basis.

## **ARTICLE V**

### **LEAVES**

#### **A. Sick Leave**

Any educational support personnel who expects to be absent on a workday must provide notification to his/her district designee by 6:00 AM. (Second shift employees should notify their district designee by 12:00 noon.)

During the first year of employment, sick days will be granted on a prorated basis up to the total of the number of days appropriate for that position. The sick day is the same number of hours as regularly worked by the employee.

Sick leave shall be interpreted to mean personal illness, quarantine at home, or serious illness or death in the immediate family or household. "Immediate family" shall include parents, spouse, brothers, sisters, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians and may be used subject to District approval for bereavement purposes beyond the definition of immediate family.

Twelve month full-time and part-time employees will be entitled to 13 days of sick leave at full pay each year, 12 days for 10 and 11 month employees, and 10 days for employees who work less than 10 months. If any employee does not use the full amount of annual leave allowed, the unused amount may accumulate to a maximum available leave of 340 days.

The Board of Education will require for all employees a physician's certificate, or if the treatment is by prayer or spiritual means, that of a spiritual advisor or practitioner of each person's faith, as a basis for pay during leave after an absence of three or more consecutive days for personal illness, or as it may deem necessary in other cases. The statement should verify that the absence was health related. The certificate should be given to the Superintendent or designee.

#### **B. Vacation**

Beginning on the July 1 following the date of hire, each twelve month full-time education support employee is entitled to 10 days of paid vacation time each year at full pay. The vacation schedule is to be in the best interest of the school district and must be arranged by the employee's supervisor and approved by the Superintendent and must be scheduled in advance. After 6 years of full-time

service, the employee will receive 15 days, and after 15 years of full-time service, the employee will receive 20 days of vacation. Nine-month Groundskeeper employees will be entitled to five (5) days of vacation per calendar year, beginning the July 1 after completion of two years of full-time employment. Service records start on July 1 each year. Vacation time must be used in half or full day increments. Vacation days do not accumulate and do not carry over from year to year. Unused vacation days have no monetary value, and are not paid out at the time of separation of employment or at the end of a fiscal year. Vacation days must be used within the year in which they are received.

### **C. Personal Leave**

Beginning on July 1 following the date of hire, each full-time twelve month employee will be granted three personal days without cost to the employee; each full-time educational support employee working less than twelve months will be entitled to two personal days without cost to the employee. Personal days may be used in hourly increments. Unused personal days will be added to sick leave accumulation.

Requests for personal days must be submitted in writing to the employee's immediate supervisor. Requests must be submitted 24 hours in advance except in emergency situations. Personal days may be taken on the days before or following an extended vacation or a three-day weekend with administrative approval only. Food Service employees may use personal days on School Improvement Days.

### **D. Sick Leave Bank**

A sick leave bank has been established for employees. Educational support personnel may participate in the bank based upon guidelines established and distributed annually near the beginning of the school year.
